## SUMMARY

Aspiring Backend Developer skilled in Nodejs, PostgreSQL, and React, with a solid foundation in building scalable applications. I am passionate about backend development and database management, and I'm open to new opportunities to apply and grow my skills. Let's connect if you're looking for a dedicated developer ready to make an impact!

## EDUCATION

Bachelor of Science in **Information Technology**  
DTSS College, University of Mumbai( **2025**)

HSC (12th), Maharashtra Board  
Sanskar College ( **2022**)

SSC (10th), Maharashtra Board  
Shriram High School

## TECHNICAL SKILLS

- **Backend Development:** Node.js, Express.js
- **Databases:** PostgreSQL, SQL, MongoDB
- **Frontend Development:** HTML, CSS, TailwindCSS
- **Programming Languages:** JavaScript, Python
- **Tools & Platforms:** Git, GitHub, Postman
- **Other Skills:** Problem-Solving

## PROJECT

### Task Management Application –

Built a backend system for task management using **Node.js, Express.js, and PostgreSQL**. Implemented **JWT authentication**, role-based access control, and RESTful APIs for task creation, assignment, and tracking.

### User Management System –

Developed a **secure user authentication system** using **Node.js, Express.js, and PostgreSQL**. Features include **user registration, login, profile management, password hashing (bcrypt.js), and JWT-based authentication** with role-based access control.

## CERTIFICATIONS

### Back-End Development – Pwskills

Learned Node.js, Express.js, database management, and API development. Completed hands-on projects, focusing on real-world applications and best practices.
